

## The Beta Buzz

Newsletter Vol. 1 Number 8  
Winter 2008  
Brookfield, CT

*Another year has come and gone. Every year, companies set business goals to outperform the previous year. There are many ways to achieve those goals. One way is to make sure that your equipment is running at its optimum. Make sure that your Micraligns are getting serviced by BSL. We have the best field service engineers available. If you are running close to capacity and need another machine, let us provide you with a quote for your next Micralign. BSL also sells high reliability parts for your Micralign. If you have a Micralign that does not have OS2000, call us about getting yours upgraded.*

*Let us know if there is anything in particular you would like to see in the "Buzz", and we'll try and put it in a future edition.*

*Here's what is new...*

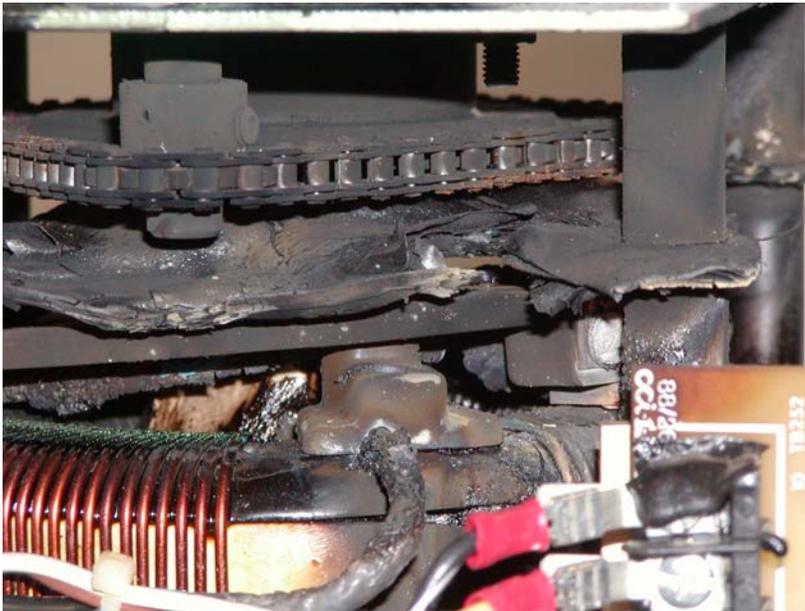

### **New LVR-GFI**

**GFI-LVR** Installed in Machine under  
A.C. Power & Lamp Control Ass'y.

**Beta Squared Lithography, Inc.** announces its new GFI Line Voltage Regulator is now available for sale.

The New GFI-LVR offers the following benefits over the original equipment supplied: CE compliant with GFI (Ground Fault Interrupter); Solid State Control (no chain/no vibration); no brushes which means no potential for fire; digital readout; high reliability components; voltage is set to the customers requirements and accurate up to 3%.

How many of you have had your Line Voltage Regulators catch fire? Call for a quote on our new LVR-GFI today and avoid this from ever happening to you.

***Beta Squared Lithography Welcomes New Employee***

Beta Squared Lithography, Inc. is pleased to announce the addition of Robert Brucato as Senior Mechanical Design Engineer for its Corporate Office in Brookfield, CT, USA. Rob is the newest addition to the BSL Engineering staff. Prior to joining BSL, Rob was with Moore Tool, where he spent 12 years as a Design Engineer. Rob's background is designing ultra-precision and special purpose equipment. He also gained valuable experience with Bragg Grating Div. of 3M Specialty Optics, Lambda Physics and Cidra Corp. Please join us in welcoming Rob aboard. He will be a valuable asset to our team.

***New Price list for 2008***

Beta Squared Lithography, Inc announces it has a new price list for 2008. We have added some new high reliability parts since our last price list. We have added a new Return Policy that requires the customer to get an RMA# (Return Material Authorization) prior to returning anything to BSL. For a copy of this new return policy, please email us at: [sales@betasquaredlithography.com](mailto:sales@betasquaredlithography.com) for a copy of our 2008 Price List.
